MINISTER OF THE STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU)

(a) & (b): Construction of foot over bridge at railway station is a continuous process and is undertaken through Annual Works Programme depending upon availability of funds and other relative priorities. In Karnataka State, foot over bridges are under construction/extension at Raichur, Hubli, Bijapur, Ghatprabha, Harihar, Haveri, Bhadravathi and Ranibennur railway stations. The works at these stations are at various stages of progress and targeted for completion on or before 31.03.2008.
